## APRIL 1ST.

### Association Books Open For Reception of New Members by Order of Ewing.

The association books will open April 1st and all growers who desire may pledge the crops now on hand and deliver it to the prizes at once. This action upon the part of General Manager Ewing is hailed as a remedy to prevent night riding and is a measure the Ledger has been laboring in the interest of for the past three months. We print a letter received at this office in full below:

Glenraven, Tenn., March 20.  
O. J. JENNINGS,  
Murray, Ky.

MY DEAR SIR:

I am in receipt of letters from nearly all the Directors in regard to the matter of re-opening the membership books and while some of them are very much opposed saying "their representations to their people to the effect, that they would positively not be re-opened" would embarrass them greatly. A very large majority of the Directors favor it. In view of very alarming ill-feeling existing throughout the Dark Tobacco District against people who have not here-to-fore joined and in view of its being the plain duty of every one of us to do everything possible, to preserve the peace and quiet of the country to the greatest extent of our ability, I think we should use this re-opening of the books in the most pleasant and attractive way possible and without the slightest reference to unpleasant occurrences of the past. We should remember that some of the most consistent members of the church today are men who did not join during a revival and while their friends were so intensely interested, but instead long afterward. We should put the colors of full fellowship upon this, another chance to join the Association and encourage the idea in every way possible, that it should allay bitterness of thought and intemperate speech. Let us make a masterly effort, to make the facts of the Association's success so well, that there will be no "hill-billies."

Do not chasten a man who came in late, shake his hand cordially, and let him read sincerely in your every word and action. I do not know who the night riders are but I am firmly of opinion that if this spirit is kindled and most carefully built upon, there will be no night riders.

The books in every county are hereby opened from this date and until further notice. I beg that not only every Director and Officer make a tremendous effort to enlist in our cause all those on the outside, but that every member and every sympathizer with the great work, earnestly endeavor to bring them into our fold where we can be as a band of brothers seeking one purpose, the benefit of the whole community.

Yours truly,

F. G. EWING, Gen. Mgr.

The county committee met here last Monday and formally declared the books open, and adopted a resolution requiring all persons desiring to join the association at 1 who had sold their tobacco but had not delivered same to firm get a release from the Independent purchaser before delivering his crop on hand to the association. This action upon the part of the committee was taken with a view of protecting both the association and the grower.

The committee considered

other measures and it is possible indictments will result under the new tobacco laws against a few Calloway county association members who it is alleged have sold their pledged crops.

Growers desiring to sign the pledge can find one at the Ledger office.

### Regulating the Morals.

The Paducah Sun of the 21st inst. contains the following item: "Now that the night riders have forced practically every non-association farmer in Calloway county to publicly announce his intention of joining the association at the first opportunity, they have turned their attention to regulating the morals of the county. A few nights ago a magistrate was visited and notified that he was drinking too much whisky and that he must 'cut it out' or be severely dealt with. He promised to heed the warning and was unmolested. Another farmer was also seen and told that in making trips to Paducah he must not bring his friends any more whisky, if he had been doing so heretofore. He also readily agreed to do as he was told."

### Soon Follows.

Mayfield, Ky., March 21.—Mrs. J. P. Holcomb, of Mayfield, whose husband died Monday, died at 4 o'clock this afternoon from paralysis and other complications. At the death of Mr. Holcomb Monday Mrs. Holcomb was in a dangerous condition and was unconscious and never rallied sufficiently to learn of her husband's death.

The funeral was held today by the Rev. A. S. Pettie, pastor of the First Baptist church, and burial at the city cemetery. Several children will mourn the death of their parents.

### 15,000 Hogheads Graded.

Mayfield, Ky., March 23.—J. T. Myles, one of the graders for the tobacco association, returned Saturday night from Guthrie and Louisville where he has been grading tobacco at the former place and on business at the latter place. He reports that 2,700 hogheads were graded last week, which brings the total amount to 15,000. At this date last year there had been only 3,000 hogheads graded. This shows that tobacco is moving more readily in all divisions this year than ever before. Mr. Myles left Monday again for Guthrie to grade more tobacco.

The drug store of Dr. Ed Mason, of Hazel, was destroyed by fire last Sunday night about 11 o'clock. A stock of about \$2,500 and building valued at \$800 were a total loss. The origin of the fire is unknown. There was \$1,500 insurance on building and contents.

Mr. Leeper is back to take charge of Dr. Mason's fine horses. Calloway county has in Braden Gentry, Favorite Cook and Hamlet a trio of the greatest horses in the state. All gait and the three best colors.

Amos Garland, who lives about one mile east of Boatwright, lost his fine and nearly all of his house odds goods by fire Wednesday night about 10 o'clock. The fire originated from a defective flue.

A fine horse belonging to a Mr. Schroeder, of the county, was killed by the afternoon N. C. & St. L. train last Monday near the swapping ring.

## FIRE LOSS.

### Dick Spann Loses Residence, Stable and Barn—Of Incendiary Origin.

The residence, stable and stock barn belong to Dick Spann, living one mile and a half south of Beech Grove church, in the southwest part of the county, on the Murray and Boydsville road, were destroyed by fire Saturday night at 10 o'clock. The origin of the fire is unknown, as when the family discovered the fire all three of the structures were then on fire and beyond any control, which shows conclusively that the work was that of an incendiary.

The residence was a good substantial country home valued at over \$1,000, and was insured for \$700. The family ran frantically out of the house and it is said that very few household articles were saved.

There was nothing in the barn, but it was a large stock barn. The stable which was consumed along with the other houses had nothing in it.

The farm is known as the old Esq. John Lassiter place and Mr. Spann is a big stock raiser. He had not raised and tobacco for several years and the cause of the fire cannot be attributed to tobacco troubles.

### The Wandering Boy.

When ma comes home from her club an' pa gits in fresh from his'n, or sets behind his paper readin' the gambler's market reports, a great hue an' cry is set up about our wanderin' boy to-night, warranted to smoke a package of cigarettes ever fifteen minnits. What's to be done? Why, pa heaves a sigh like a bellows'd hoss, an' ma hums a tune betwixt her sniffles. Now, what's to be done? pa from gwine out arter the youngster wi' a rawhide, an' yankin' him home, an' teachin' him a lesson that he'll never forget as long as he lives? Mention it to 'em, an' you're a cruel monster. What! raise whistles on the beautiful an' tender skin of our darlin' boy! Why, you're to old-fashioned to live. What's the State for but to be a parent to our darlin' child? Can't it pass laws to protect him from whiskey an' tobacco? An' then it's hoary for ever'thing but the right thing! Now, I aint got nothin' in the worl' ag'in prohibition or the anti-cigarette law; when the State has a law on its books, I'm for it if it's good, bad or indifferent. But what I say is that sech laws, don't go to the root of the matter; they don't kill what you might call the family boll-weevil. The trouble, when that's any, is to be found right in the home that the wanderin' boy strays from, an' I say that that oughter be a law pertectin' children from weak-minded parents. Ever' man an' 'oman that's got a boy child should be made to toe the mark an' raise the children right. It may be a hard thing to do, but that aint no secret about it; it may take up a good deal of the'r time an' attention, but what are they here for? That's what I want to know.—Joel Chandler Harris, in Uncle Remus's Magazine for March.

Mrs. Tinsley, mother of Robert Tinsley, died at her home one mile south of Farmington Saturday night of paralysis and was buried at Harmony church Monday. Deceased was 69 years old and leaves a large circle of relatives and friends to mourn her departure.

## WILL INJURE

### Manager Ewing Says Night Riding Will Do Association Harm.

Clarksville, Tenn., March 24.—General Manager F. G. Ewing, of the Dark Tobacco Growers' association, gave out a statement Monday condemning in the strongest terms the lawlessness existing in the black patch. He says: "I view with very serious regret the violence committed throughout the district and which, whether properly so or not, is quickly laid at the door of the association. I trust every member and every sympathizer with the purpose of the association whether or not he knows who the parties are, who have committed violence recognize it his duty to do everything that he possibly can to cultivate far and near a sentiment against it. It is not only deplorably wrong, but highly injurious to the accomplishment of the purposes of the association. If it is not checked it will inevitably lead into the other avenues of life until the whole social fabric of the country is permanently injured. No one could more sorely regret all such acts being charged to the association which has never countenanced them from any aspect than the man who has endeavored to finance through 90 banks and to keep reasonably insured tobacco aggregating about \$7,500,000 pending its sale. I am confidently expecting a better feeling to grow throughout the district."

### Pottertown, Ky.

We have been having some cold weather for the last few days.

Most of the people are through burning plant beds.

Misses Lella and Effie Owen spent the day with Miss Ida Caldwell Sunday.

There was a storm party at Oregon Baker's last Saturday night.

Miss Cora Outland left for Kirksey last Monday to enter school.

Miss Maudie Geurin has been visiting her sister near Crossland.

Miss Edith Young has been quilting the past week. I wonder what that means.

Miss Susie Caldwell has had a very sore hand the past week.

Mr. Oregon Baker has been to Pottertown ever day the past week on business.

Miss Ida Caldwell begun a spring school last Monday and has had a week of success. She is expecting more new pupils the following week. BUTTERFLY.

### McCreary Is Right.

Senator McCreary struck the keynote of the tobacco situation in his speech in the senate Thursday when he declared that the cause of night riding was the Tobacco Trust, and that if the Trust would agree to treat the tobacco growers right the trouble would cease immediately.

"The Trust has determined to starve the growers into submission," he said. "That is all there is to the question. Had the senate followed the example of the House in repealing the tax on tobacco this trouble would never have arisen. The House passed the bill twice, but it always struck a snag and failed to pass when it arrived in the Senate."

"Tobacco is the only product of the soil which is taxed. Personally, I can not see more rea-

son for a tax upon it than there would be to tax turnips, hay or onions. I am satisfied that if the tax should be removed from tobacco by this Congress the loosening of the grip of the trust upon this product, the difficulty in Kentucky would be solved immediately."

Yes, he was right in every word he uttered. Congressmen Stanley, James, Gaines and others succeeded in having the House pass a bill repealing the tax, but the fine Italian hand of Senator Aldrich, who is said to be the owner of Tobacco Trust stock worth a million dollars, was laid upon it in the committee rooms when it passed up to the Senate for consideration.

The attitude of the Republican United States Senate toward the tobacco bill only goes to illustrate forcibly to the people of Kentucky and elsewhere its attitude to all other measures calculated to bring about relief to the common people.

### Russell's Chappel.

Health is very good except a few cases of lagrippe.

No deaths or marraige to report.

Farmers are busy repairing fence and getting ready for a crop. There will be a large crop of tobacco raised in this section, if nothing happens to the plants.

Arch Garland and family visited the Widow Rushing Saturday and Sunday.

Will Miller has moved to the Jim Lawrence place.

Harison Evans has finished his work with Joe Falwell and is going to work with Joe Winchester. Harison wants the man he works for to be named Joe. He says he was defeated in the year 1907 for matrimony but says he will show the boys that he will be Johnie on the spot this time.

Billie Miller says he is on the carpet for the first time and expects to win. Look out widows, Billie is in earnest.

M. M. Ellis raised some stables the past week.

Robt. Chadwick raised a new barn Thursday.

Bro. Harris filled his appointment at this place Sunday.

There will be a Sunday school organized at this place next Sunday. Miss Lois Boatright superintendent.

Frank Boatright gave the young folks a social entertainment Saturday night which was enjoyed by all present.

The W. O. W. at Pottertown still continue to roll in new timber at most every meeting and expect to keep bringing them in. WILD JOE.

The state board of equalization in session at Frankfort raised the taxable wealth of Calloway county 10 per cent. for the year 1908. A committee will be appointed by Judge Wells to visit Frankfort to enter protest against the raise. Calloway county listed fully 19 per cent. more wealth this year than was listed in 1907. The wealth this year subject to taxes as shown by Assessor Broach's books is a fraction less than \$4,275,000, and with the added 10 per cent. will amount to nearly \$4,700,000, and will mean an increase of nearly \$4,000 taxes.

John R. Gentry 2000 held 10 world records at one time. He sold for the highest price a pacing stallion ever brought under the hammer. Kate Braden, who is the mother of 7 race horses, brought the highest price ever brought by a pacing brood mare at auction. In Braden Gentry Murray has the greatest son of John R. Gentry and Kate Braden.

## FIGHT IS ON.

### Independent and Cumberland Telephone Companies Commence War.

The Cumberland Telephone Co. Tuesday secured the lines of the Planters Co. leading into Murray and connecting with the Murray Telephone Co., and connected the lines up with the Cumberland system.

This looks much like the beginning of war between the big telephone trust and the independent lines of Calloway county. The Ledger is informed that the Murray Co. has a ten year contract with the Planters people for service at \$1 per year, and at a meeting of the directors of the last named company held in this place Tuesday a contract was made with the Cumberland people for service. We have heard no reason assigned for this action upon the part of the Planters Co. but a large number of patrons of the company are outspoken in opposition to tying on to the trust system, and many declare that they will never submit to the action of the directors in the matter.

The Ledger is not acquainted with the terms of the contract made by the the Planters Co. with the Cumberland. An injunction was filed Wednesday restraining the Planters Co. receiving or sending messages in connection with the Cumberland and the case will come up for trial before Judge Cook at the earliest date possible.

A county mass meeting of the patrons of all independent systems in the county is called for next Monday at 1 o'clock in the court house. The object of this meeting is to decide upon some definite plan to thwart the trust in its first attempt to control the telephone systems of the county.

A rousing mass meeting was held Wednesday night by the citizens of the town and nearly every business house in the city was represented. A number of speeches were made and an enthusiastic endorsement given the Murray Co.

Nearly every citizen present declared his intention to discontinue the Cumberland phone.

The following resolution was unanimously adopted:

"RESOLVED, That it is the sense of this mass meeting that it is to the interest of Murray and Calloway county to stand by the Murray Telephone Co. in its fight against the Cumberland Telephone Co., and we pledge ourselves to take from our business houses, and residences all Cumberland phones and place in their stead independent phone."

Mrs. Inez Brown Sale, who recently returned to Murray from Paducah and opened a millinery business in the rooms over the Farmers & Merchants bank, makes announcement in this issue of the Ledger. Mrs. Sale was for a number of years a resident of this place and has many friends in the county. She has a choice and beautiful line of new goods and would appreciate an inspection from the buying public. She also makes a specialty of cleaning ladies and gentlemen's hats.

Mr. L. L. Taylor, of Hollow Rock, Tenn., and Miss Bettie Paschall, charming daughter of Mr. and Mrs. Frank Paschall, who live two miles southwest of Hazel were were married Sunday evening at 8:30 o'clock at the residence of the bride's parents, Rev. Prichard officiating in the presence of quite a number of friends and relatives of the bride and groom.

\$2,000 For Her Dog's Cream.

There are some strange contrasts in this world of ours, — contrasts that set one thinking.

Two million dogs are put to bed nightly under eiderdown blankets, between silken sheets! And twice that many babies are sniveling with insufficient covering, held tight to some mother's breast, kept alive only by the warmth of the mother-heart!

One woman alone spends two thousand dollars for sterilized cream for one dog in one year, says the April New Idea; and two thousand babies die every day because they haven't milk enough to drink to keep them alive!

There are thousands of pink-checked, blue-eyed orphans in this country of ours who say their prayers nightly in concert; and the only place for a child to pray is at the knee of the woman who loves it.

Certainly a foundling is a risk. For that matter, life is one big lottery. Everything in it is more or less of a gamble. One may not be sure of the future of the child who inherits traits from parents who forsook their own offspring. The question is not what the woman with the dog could do for such a child — it is what the child could do for her. Each child, no matter what its parentage, is a tiny Moses of the world wilderness that can strike with its dimpled pink hand a heart of stone and make it pour forth the waters of life itself.

"It's Different, You Know."

To preach, many people and collect the salary, fees and perquisites of the pulpit, you must belong to the Ministers' union, the Clergy, and carry a license card.

To practice law you must belong to the Lawyer's union, the

To practice medicine you must belong to the Doctor's union and carry a diploma card.

If you own stocks and bonds can you go on the floor of the exchange and sell them? Not unless you belong to the Stock Gamblers' union, the Stock Exchange.

Do you see farmers on the floor of the produce exchange selling their grain and cotton? Not much, Mary Ann. They do not belong to the Produce Gamblers' union.

Do drovers sell their cattle and

hogs on the floor of the live stock exchange? The nearest they get to it is the office of Skinnem, Bilken & Shark, live stock commission merchants, who are members in good standing of the Live Stock Gamblers' union.

The "open" shop is a beautiful institution only when applied to plain and simple work.

About the only lawful thing you may do, Mary Ann, and not belong to a union is to work like a damned dog or starve.

Tickling or dry Coughs will quickly loosen when using Dr. Shoop's Cough Cure. An it is so thoroughly harmless, that Dr. Shoop tells mothers to use nothing else, even for very young babies. The wholesome green leaves and tender stems or a long healing mountainous shrub give the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and flags the sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Demand Dr. Shoop's. Take no other.—H. D. Thornton & Co.

Remember that when the Stomach nerves fail or weaken, Dyspepsia or Indigestion must always follow. But, strengthen these same weak inside nerves with Dr. Shoop's Restorative, and then see how quickly health will again return. Weak Heart and Kidney nerves can also be strengthened with the Restorative, where Heart pains, palpitation, or Kidney weakness is found. Don't drug the Stomach, nor stimulate the Heart or Kidneys. That is wrong. Go to the cause of these ailments. Strengthen these weak inside nerves with Dr. Shoop's Restorative and get well. A simple, single test will surely tell.—H. D. Thornton & Co.

**LITTLE THINGS.**

Credit the little things in life for all success and debit them for each failure. The man who wins has an eye for them like the camera lens which photographs stars we cannot see with a telescope. Two cents buys a morning newspaper, tens of thousands of dollars bought the press which prints it, but the power which runs the press was born of a few tiny sparks generated from the friction of wood by the ancients. Success seems to be a capability in making the spark more powerful.

**QUITE AN ADVANTAGE.**

**MADE FOR SELF-TORTURE**

Peculiar Instruments Used by Ardent Religious People.

From the little black cross tiny spikes of silver protruded sharp as pin points.

"It is a cross," said the dealer, "that we have made for a very religious man, a high-church Episcopalian. He will wear it next his skin, and when temptation assails him he will press his hand against his breast and—ah, a stab of agonizing pain."

"Oh, yes; such orders are quite usual. We make continually a number of little instruments of self-torture. Some of our patrons are priests, some clergymen, but the majority are laymen and laywomen of morbidly ardent religious trend."

"This is a hair shirt. If you should wear it a few hours it would prick you all over, and on taking it off you would find on your skin many tiny points of dry blood."

"Here is a barbed belt. If you touch this knob a little needle leaps out, stabs you an eighth of an inch deep and leaps back silently into its place again. Very painful, I assure you. You groan: 'What's the matter?' 'A stitch in my side,' you answer truthfully."

"Only Episcopals and Catholics—three Episcopals to one Catholic—buy these things from us. Do they do good? Undoubtedly. But they may do harm; they may cause bloodpoisoning if they are not kept rigorously clean. We give out with them a little printed slip to that effect."—Chicago Chronicle.

**EXCITING JOB.**

Lady—Did you catch any of those snails in my garden? You've been a long time at it. Fatigued Clarence—Yes'm. I had a good deal of trouble chasing 'em.

**BENZINE BUS IN DESERT.**

The benzine bus has done for the desert what the steamship did for ocean travel. It has concentrated widely scattered mining centers that were formerly vague and distant from one another because of the difficulties, hardships and perils of travel by stage and burro over the rugged sand wastes, through bowlder-strewn ravines, and over plateau-dry lakes, from which the summer sun seems reflected in shimmering waves of flame and white heat.

What was only a few years ago a day's journey, remarks Barton W. Currie, writing in Harper's Weekly about "the gasoline camel," is now only an hour's drive. Yes, and there are hundreds of miles of automobile speedways.

**PORK BY THE YARD.**

In a Massachusetts town lives an eccentric old pork butcher, remarkable for his shrewdness. Some young collegians one day entered the shop, and, for a joke, asked how much pork was a yard. "One dollar," promptly replied the old fellow. "Then," said one of the smart youths, "I'll take a yard." "Where's your money?" asked the butcher. The dollar was laid down. The old man quickly pocketed the coin, and then produced three pig's feet, with the quiet remark: "Three feet make one yard." The students marched out in silence.

**A MERE FAKE.**

"And do you call that a partitive song?" demanded the music publisher, scornfully, as he handed back the manuscript. "Certainly," responded the author, "why not?" "Why, you don't rhyme 'Soldier boy' with 'mother's joy' anywhere in it."

**ACCORDING TO SYSTEM.**

Tramp—I've asked for money and I've loosed for money and I've prayed for money, mum. Mrs. Tibbins—Have you ever thought of working for it, my man? Tramp—No, mum; you see I'm going through the alphabet and I ain't to W yet.

# AMERICAN OFFICERS OF HIGH RANK AND OTHERS ENDORSE PE-RU-NA.

Prominent People Recommend the Remedy  
Pe-ru-na.

Dr. Hartman's World Renowned Catarrh Medicine.

**A Remedy for the Grip.**  
Gen. W. H. Parsons, 225 H St., N. W., Washington, D. C., writes as follows:  
"Upon the recommendation of personal friends and many strong testimonials to the efficacy of Peruna in the treatment of the numerous symptoms of the grip with which I have been afflicted for four months past, I have been induced to undergo a treatment of this justly celebrated formula.  
"I feel a decided change for the better by its use for one week only, especially in toning up the stomach, and a consequent decided effect upon my appetite.  
"I therefore feel much encouraged that I am on the road to complete restoration.  
"My numerous friends in Texas, where I have had the honor to command a brigade of her veteran cavalry in a four-year war, may accept this voluntary testimonial to the merit of Peruna from a sense of obligation for its wonderful efficacy."

**Pe-ru-na a Good Tonic.**  
Gen. M. C. Butler, of South Carolina, writes from Washington, D. C., as follows:  
"I can recommend Peruna for dyspepsia and stomach trouble.  
"I have been using your medicine for a short period and I feel very much relieved.  
"It is indeed a wonderful medicine, and besides a good tonic."

**Colds in the Head and Throat.**  
Chas. W. Bowman, 1st Lieut. and Adj. 4th M. S. M. Cav., Vol., writes from Annapolis, Md., as follows:  
"Though somewhat averse to patent medicines, and still more averse to becoming a professional advertiser, it seems only a plain duty in the present instance to add my experience to the columns already written concerning the curative power of Peruna.  
"I have been particularly benefited by its use for colds in the head and throat.  
"I have been able to fully cure myself of a most severe attack in forty-eight hours by its use according to directions.  
"I use it as a preventive whenever threatened with an attack.  
"Members of my family also use it for like ailments.  
"We are recommending it to our friends."

The Star Amusement Co. has located a moving picture show here and will give a performance every night rain or shine. Pictures changed every night and a good show is promised.

**Alice Roosevelt's Wedding**  
was something to be recorded in the annals of history. Herbine has been acknowledged the greatest cure for Bilious headaches, Constipation, Chills and Fever, and all liver complaints. J. C. Smith, Little Rock, Ark. writes: "Herbine is the greatest liver medicine known. Have used it for years. It does 'the work.' Sold by Dale & Stubble and H. D. Thornton & Co."

T. M. Morris has the first Gentry colt ever foaled in West Kentucky. It is a beauty and he is justly proud to be the owner of such an animal.

Recommends Pe-ru-na to the Afflicted.

Brig. Gen. D. T. Kirby, Washington, D. C., writes concerning Peruna, as follows:  
"Friends of mine having used your Peruna catarrh cure with good results, I am impressed with its curative qualities, and can recommend it to those who are afflicted."

**Pe-ru-na in Tablet Form.**

Some people prefer to take tablets, rather than to take medicine in a fluid form. Such people can obtain Peruna tablets, which represent the medicinal ingredients of Peruna. Each tablet is equivalent to one average dose of Peruna.

**For Catarrh of the Stomach.**

Gen. W. W. Dunfield, Washington, D. C., writes:  
"I have used Peruna in my family and have found it a valuable medicine and take pleasure in recommending it to all who suffer from catarrh of the stomach or who require a tonic of prompt efficacy."

## DEAFNESS CAUSED BY CATARRH— RELIEVED BY PE-RU-NA.

Gen. A. M. Legg, writes from the Savings Bank Building, Washington, D. C., as follows:  
"I take pleasure in endorsing the many recommendations I have heard and read of Peruna, because of having had knowledge of the truth of so many of them.  
"We always tell our sick and ailing friends of the remedies that we have learned from experience, were good for us when ailing in the same way, and we do it as a duty we feel that we owe them.  
"Why is it any the less our duty to advise all the people we can when we know of a good and comparatively inexpensive remedy that makes many cures, and benefits in almost all cases?  
"My own little personal experience of being relieved of deafness, caused by a septic catarrh, warrants me in advising all the afflicted to just try Peruna."

Used Pe-ru-na—Satisfied As to Its Merits—  
Recommends It to All Sufferers.

Gen. S. S. Yoder, 203 Md. Ave., N. E., Washington, D. C., writes:  
"I desire to say that I have found Peruna to be a wonderful remedy. I only used it for a short time and am thoroughly satisfied as to its merits. I shall gladly recommend it to all sufferers."

**For Kidney Trouble, Coughs, Colds and Catarrh.**

Gen. A. T. Hawley, 1326 26th St., N. W., Washington, D. C., writes:  
"I have used Peruna and find it very beneficial for kidney trouble, and especially good for coughs, colds and catarrh."

**Convinced of Pe-ru-na's Merit.**

Brig. Gen. J. Floyd King, Washington, D. C., writes:  
"I unhesitatingly state that I am convinced Peruna is a medicine which will effect all that is claimed for its use.  
"Those desirous of obtaining special directions with regard to the use of Peruna should write to Dr. S. B. Hartman, President of the Hartman Sanitarium, Columbus, Ohio."

When Other Remedies Failed Pe-ru-na Proved Efficacious.

Hon. Geo. W. Honey, National Chaplain U. S. Army, Ex-Chaplain 4th Wisconsin Cavalry, Ex-Treas. State of Wisconsin and Ex-Chaplain of the State of Texas, G. A. R., writes from 1300 First Street, N. E., Washington, D. C., as follows:  
"I cannot too highly recommend your preparation for the relief of catarrhal troubles in their various forms.  
"Some members of my own family have used it with most gratifying results."

**Pe-ru-na, a Standard Treatment for Catarrhal Diseases.**  
Mr. John C. Nelson—Dayton, Tenn., geologist and mining engineer, while a Captain in the Federal Army during the Civil War, contracted a case of rheumatism. This malady was constant and persistent, inducing the development of other ailments, which also became chronic. After taking a course of Peruna, Capt. Nelson writes:  
"Having been painfully afflicted with chronic rheumatism and the adjunctive complications for many years, and after having received many general and special treatments with only temporary relief, I read your scientific treatise on catarrhal diseases.  
"At my request you prescribed a special course of the Peruna remedies, which I closely followed, and am happy to report that my rheumatism and complicated ailments are subdued, and I feel young again at the age of 69 years.  
"Reason will accept your classification of catarrhal diseases as scientific and true, and the Peruna remedies as a standard treatment for them. I thank you heartily for your skill and logical advice."

**Enjoys Renewed Health and Strength.**

James J. Osborn, 423 Wabash Ave., Colorado Springs, Colo., has filled all the positions in Knight Templar Masonic Order, was a Mason since 1860, Judge of County Court, Clinton, Mo., and also County Collector of Clinton. He writes:  
"A sluggish liver which I had been troubled with for two years made life miserable and I was unable to attend to my business half the time. I lacked energy, had headache most of the time, and my food distressed me and did not seem to do me a particle of good.  
"Reading of the many cures performed by Peruna, I decided to try a bottle. Before I had taken many doses I felt better.  
"I took it as directed for two months when I was a well man."

Hopkinsville, March 24.—A band of 25 masked men entered Gold Pond, in Trig county, last night and took Tom Weaver, a negro tobacco prizer, from the servants' quarters at a hotel and carried him a short distance from the village and after telling him to run shot him. He was found in the road this morning and will probably die.
